The Chromosomal Passenger Complex Takes Center Stage during Mitosis

In the preview by Vernos (Developmental Cell 7, 145–146, August 2004), the name of the first author of one of the articles being previewed (Sampath et al., Cell 118, 187–202, July 23, 2004) was misspelled in three places. The correct spelling is “S.C. Sampath.” We apologize for any confusion our mistake created.
